The Community Foundation of the Bay Area

Get Out the Vote Mini-grants 2008 By Invitation Only

The Social Justice Program makes small, quick-turnaround Get Out the Vote (GOTV) grants of between \$500 and \$7,500 to nonprofit organizations conducting nonpartisan voter registration drives, voter education, and voter mobilization drives prior to each election. The purpose of these grants is to increase eligible and informed voter participation in elections to strengthen our democracy. Grants are made to organizations that target those populations less likely to vote, namely low-income people of color, youth, and new citizens. Grantees are expected to engage in activities that have been shown through research to improve voter turnout, principally door-to-door canvassing or other face-to-face appeals, and phone banking; and to collect baseline and outcome data for reporting to the Foundation.

We are currently accepting applications from invited organizations. **Before completing the application, please review the final report form** to understand what you will be required to report; the form is on the second and third pages of this document.

Deadline for submission: Friday, March 7, 2008, at 5:30 pm. All applications must be submitted through Grantee Center, available at www.sff.org (use the link at the top of every page). The start date for the grant will be March 15, 2008.
